

Authorized Signatory Designation

Company: _____

Department (if applicable): _____

The following individual(s) are authorized to sign Airport Security Fingerprinting & Badging Applications and all other Airport Security forms. The responsibilities of an Authorized Signatory are outlined in the Paine Field Authorized Signatory Guide. A copy of the guide can be found at the credentialing office or at (<https://www.paineairport.com>). An Authorized Signatory who fails to follow these procedures may have his or her Authorized Signatory privileges and/or Airport ID badge revoked or suspended.

Please list all active Authorized Signatories for your company. If you are not listed below, you will be removed as an Authorized Signatory. Authorized Signatories are required to complete all training and background check stipulated in the Authorized Signatory Training Guide prior to issuing badges for additional staff or tenants.
