BEFA is a not-for-profit organization that fosters, promotes, and engages in all aspects of flying. To keep operating costs down, BEFA depends on volunteers. This may include building repairs, grounds keeping, and/or assisting with activities such as the annual crab feed, washing airplanes (Bath and BBQs), and other misc. projects. On Thursday evenings we invite members to be a part of the BEFA Crew to perform preventive maintenance on various aircraft alongside our many certified mechanics.

Volunteering is great way to meet others within the membership and to be involved in aviation on a deeper level.

Please indicate your personal skills and areas in which you would be willing to provide volunteer services.
