BEFA is a not-for-profit organization that fosters, promotes, and engages in all aspects of flying. To keep operating costs down, BEFA depends on volunteers. This may include building repairs, grounds keeping, and/or assisting with activities such as the annual crab feed, washing airplanes (Bath and BBQs), and other misc. projects. On Thursday evenings we invite members to be a part of the BEFA Crew to perform preventive maintenance on various aircraft alongside our many certified mechanics.

Volunteering is a great way to meet others within the membership and to be involved in aviation on a deeper level.

Please indicate your personal skills and areas in which you would be willing to provide volunteer services.
